Run-up Synch with easYgen-3500XT

Clemens - 2023-01-31 - easYgen-3000XT

Fast paralleling can be achieved with easYgen-3500/-3500XT integral run-up synch feature.

Run-up synch is as well called *static paralleling*, *deathfield synch*, *unexcited start-up* or *start without excitation*
