Where can I find configuration files ?

Clemens - 2022-11-08 - Toolkit

controls configuration files can be downloaded here

<https://www.woodward.com/en/support/industrial/technical-help-desk/control-configuration-files>

enter partnumber you will find on rear panel's type sticker

enter P/N only and press search, after you will get this entry box

choose Toolkit, revision you need and select language

If you have an 3000XT platform control, you can download configuration files and manual from the easYgen-3000XT controllers by USB cable like pics from your smartfon
