Are DSLC and DSLC-2 Loadshare Protocols compatible?

Clemens - 2022-04-20 - easYgen-3000XT

No, old DSLC hat LON load share Lines and DSLC-2 is using redundant E-Net load share network.

As well DSLC-2 E-Net load share Protocol is not compatible with easYgen-3000XT E-Net load share network

There is no LON / Ethernet Gateway available from Woodward
