Accessing Woodward's Product Change Notifications

Product Change Notifications (PCNs) inform customers about changes or updates to a product, including software/firmware upgrades, or discontinued products.

The latest version of most publications is available on the Woodward website.	
http://www.woodward.com	
PCNs can be located by one of two ways:	
1. Enter 'Product Change Notification' on the search bar:	
	×
From here you can filter through results:	
	×
2. Another option is to enter the product line	e name in the search bar. For example.
'SOGAV200':	, , , , , , , , , , , , , , , , , , ,
